MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 13 to Contract No. PO-660 with
Eastman Kodak Company, Rochester, New York, [REDACTED] Project 25X1A
CHALICE- CORONA

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. PO-660 and Amendments Nos. 1 through 12 thereto, provide for the furnishing of all necessary labor and incidental materials required to operate and maintain the film processing plant at Rochester, New York, from inception of the contract to 30 June 1959. Amendment No. 13 to the contract extends the period of performance under the contract through 30 June 1960 and provides additional Project funds for the first half of this period.

25X1A

[REDACTED]
for the period 1 July 1959 - 31 December 1959. By concurrence to this memorandum the Comptroller signifies that the obligation from Project CHALICE funds has been noted and will be recorded when funds are available.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b)-see 85-507 dtd 7/7/58), for each contract.

5. Concurrence in Amendment No. 13 to Contract No. PO-660 is recommended.
